## Confirmation letter regarding the TÜV NORD CERT certification

To whom it may concern:

TÜV NORD CERT GmbH, a conformity assessment body accredited by the German accreditation body DAkkS, confirms that the DAF-Dealer Star Diesel 2001 S.r.l. is certified according to ISO 9001:2015 and ISO 14001:2015.

The audits to maintain these certifications are conducted within the certification of an international multi-site organization. The main certificate is issued for DAF Trucks N.V.

Dealers within this multi-site certification, such as Dealer Star Diesel 2001 S.r.l., are independent legal entities.

The Dealers are successfully audited by TÜV NORD CERT for operating a management system according to ISO 9001:2015 and ISO 14001:2015 which is defined and designated by DAF Trucks N.V. and shall to be applied at every dealership within this scope of certification. This is settled by a legally binding contract between DAF Trucks N.V. and every Dealer within this multi-site certification.

The current certificates 44 100 090349-729 and 44 104 090349-729 is valid until 12.09.2024 and is only valid in combination with the valid main certificate.

The validity of the ISO certificates can be checked by filling in the certificate numbers on the following website: <https://www.tuev-nord.de/en/company/certification/support/certificate-database/>.
